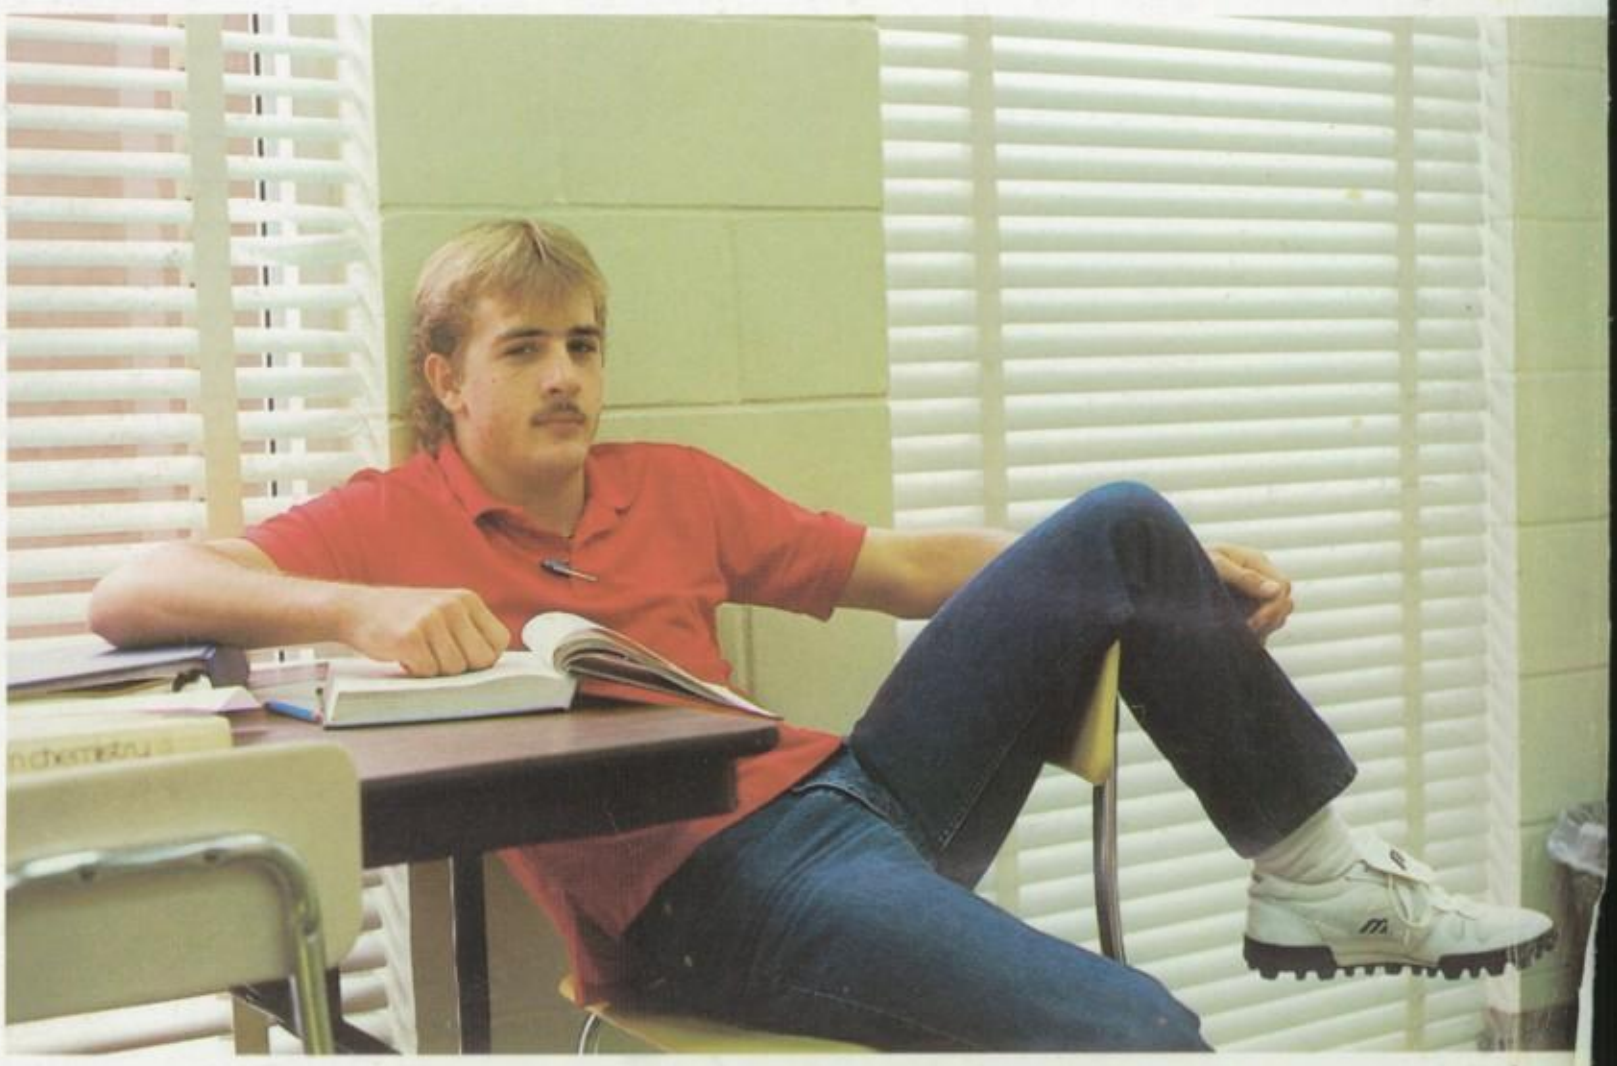
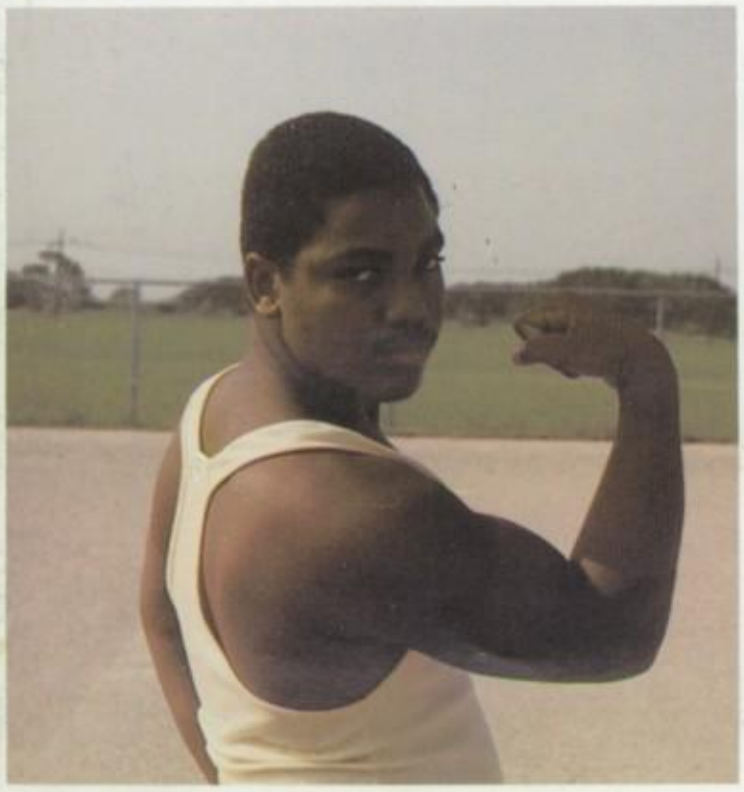
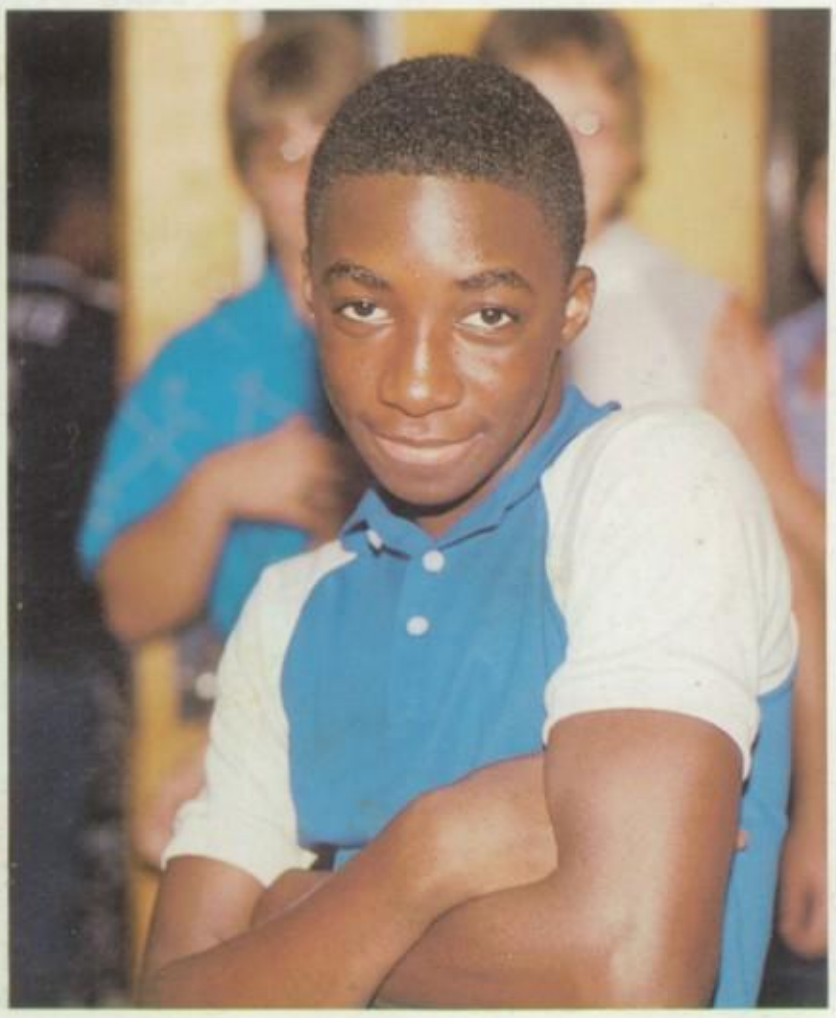
Class Cut-Ups



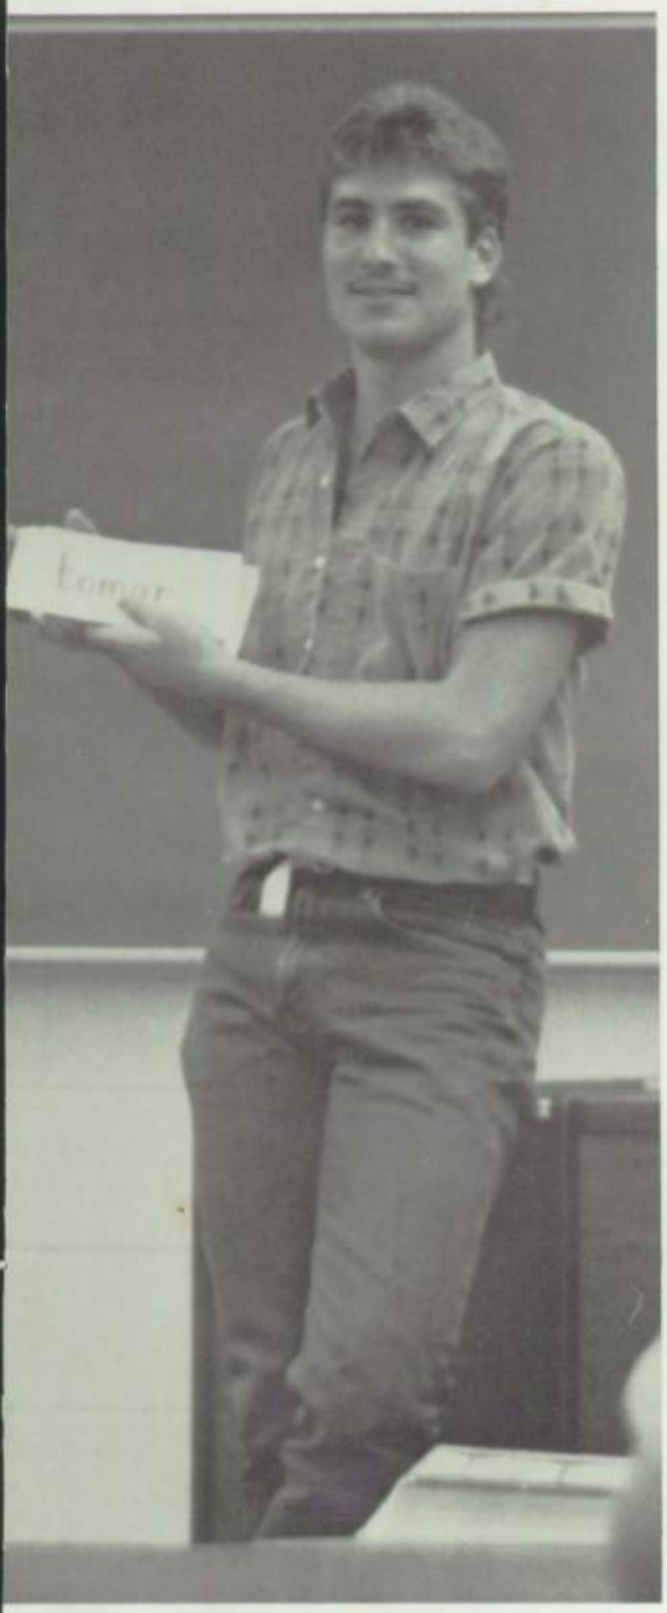
There's a time for work and a time for play — although sometimes it's hard to distinguish between the two. No matter where you are. Every class has a "cut-up" that can always cheer everyone up with special antics. Can you imagine where the class humor would be without them?





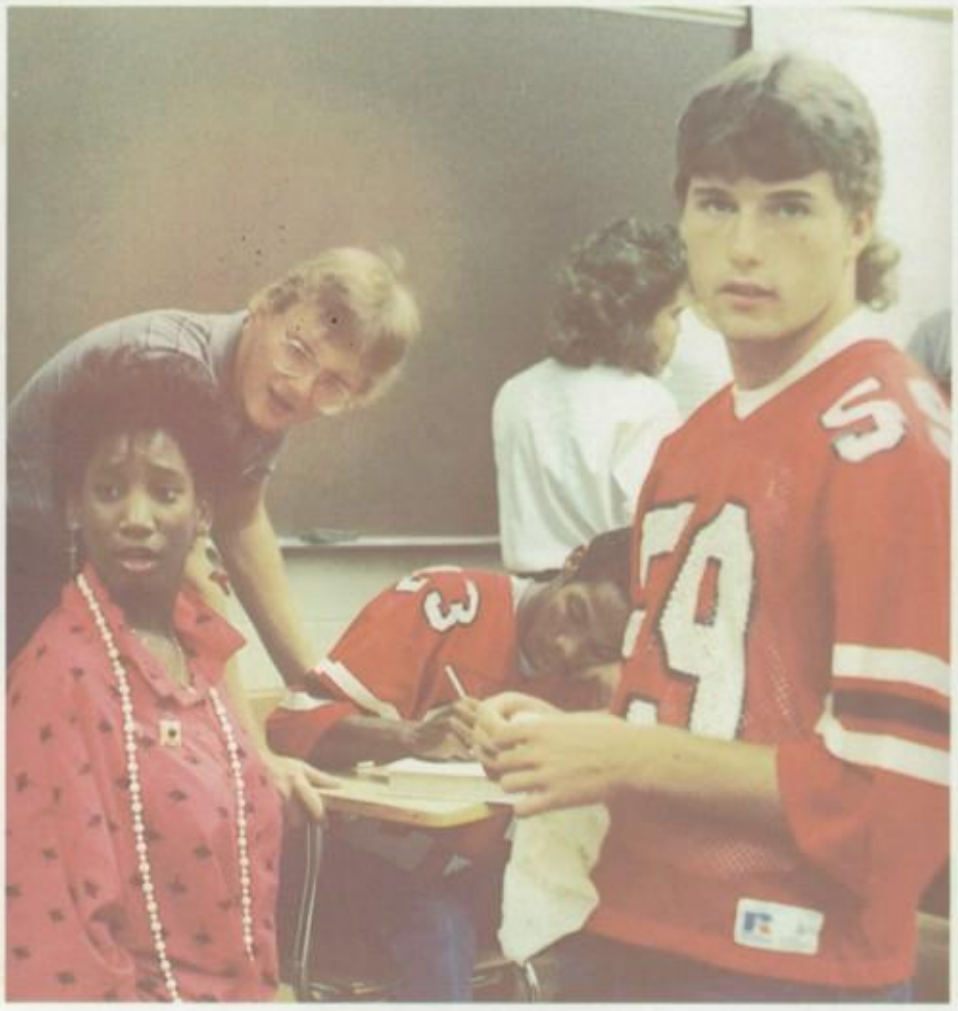
Cutting
Out The New
Trends!

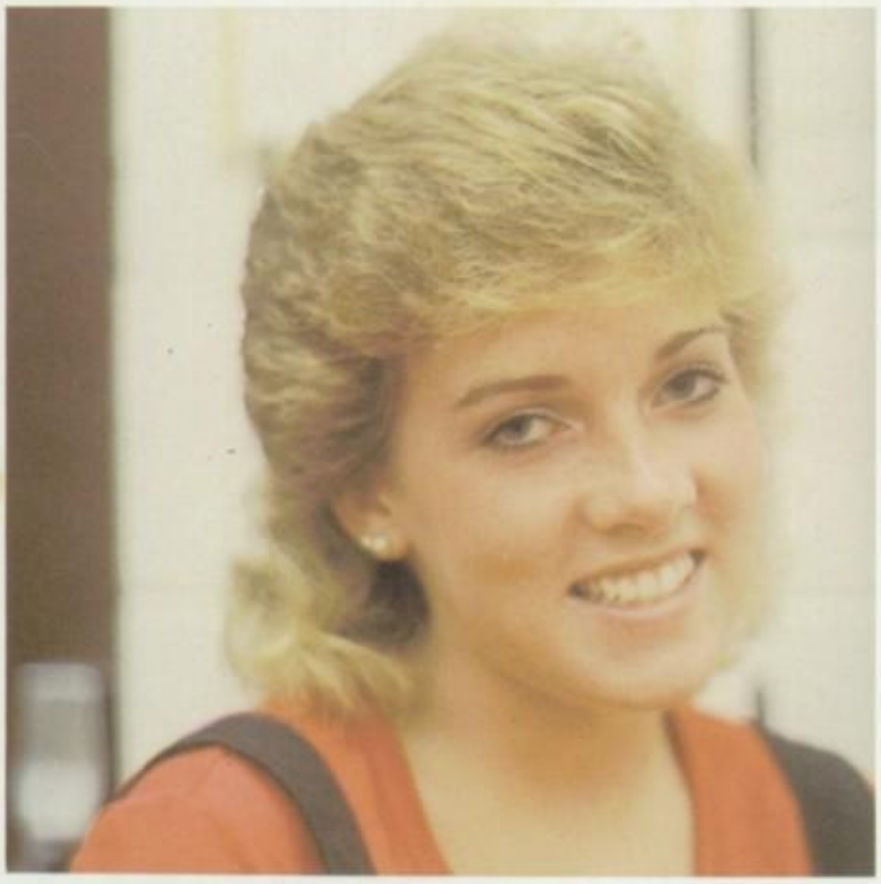
Love
Bev



Cutting out new trends is easy for some people. It takes that special creativity that only they have to start those crazy things that everyone wants to do or say. Trends can be created just about anywhere too. Whether in class, at practice, in a pep rally; trends are usually brought out of the minds of the creative.

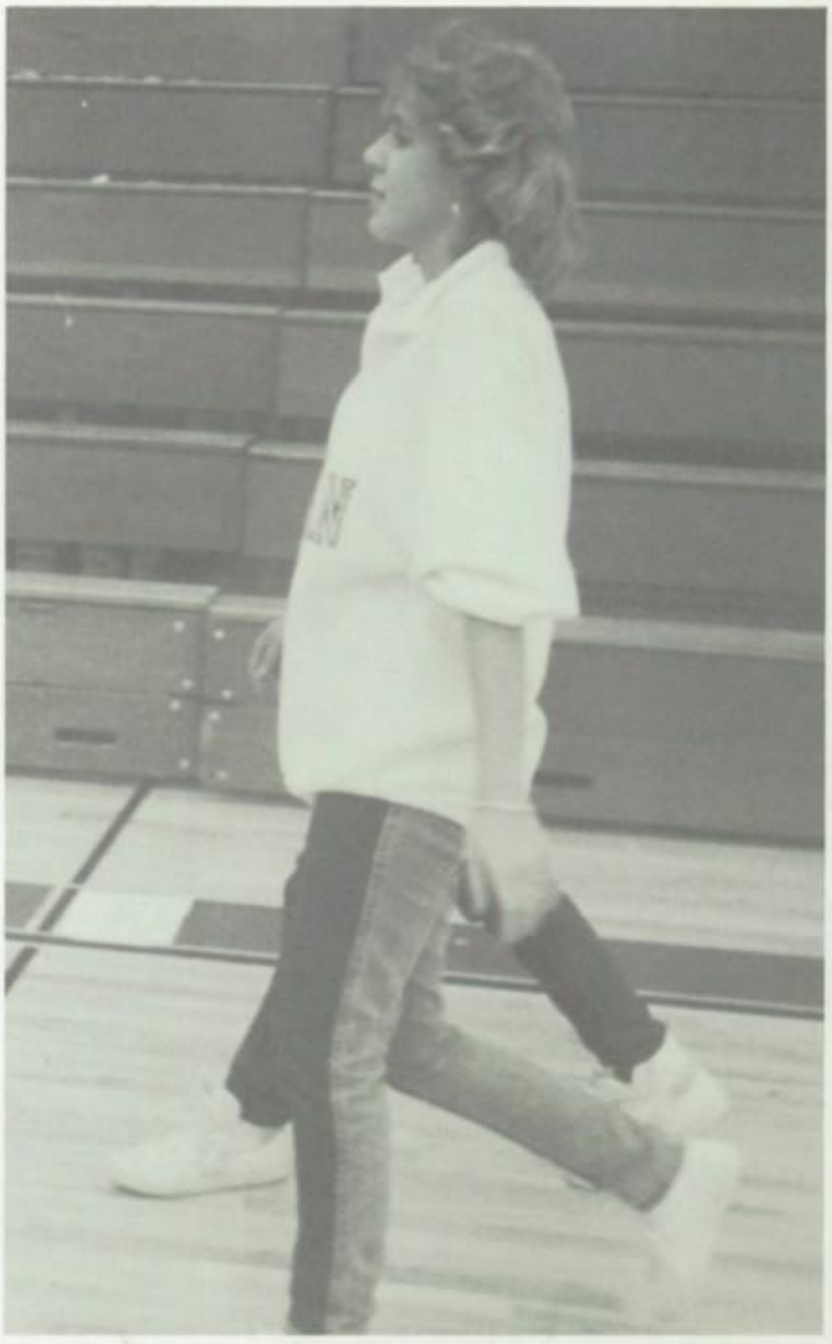
Precision Cuts



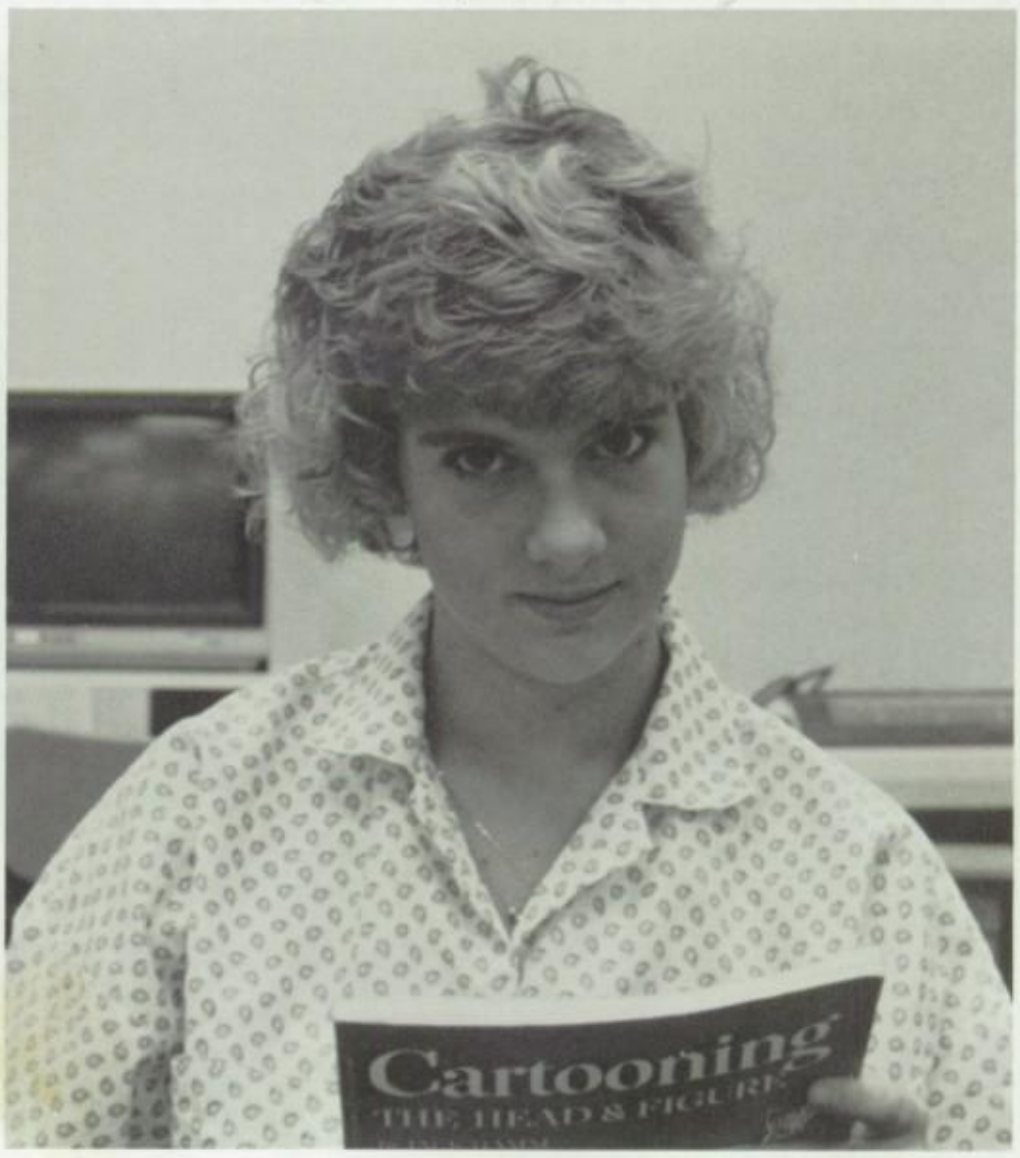


Precision is important when you're the best. After all, that's how you got there. Displaying precision comes easy to students who look and feel their best. That's just how they operate. Precision is what keeps them a cut above the rest, wherever they are.

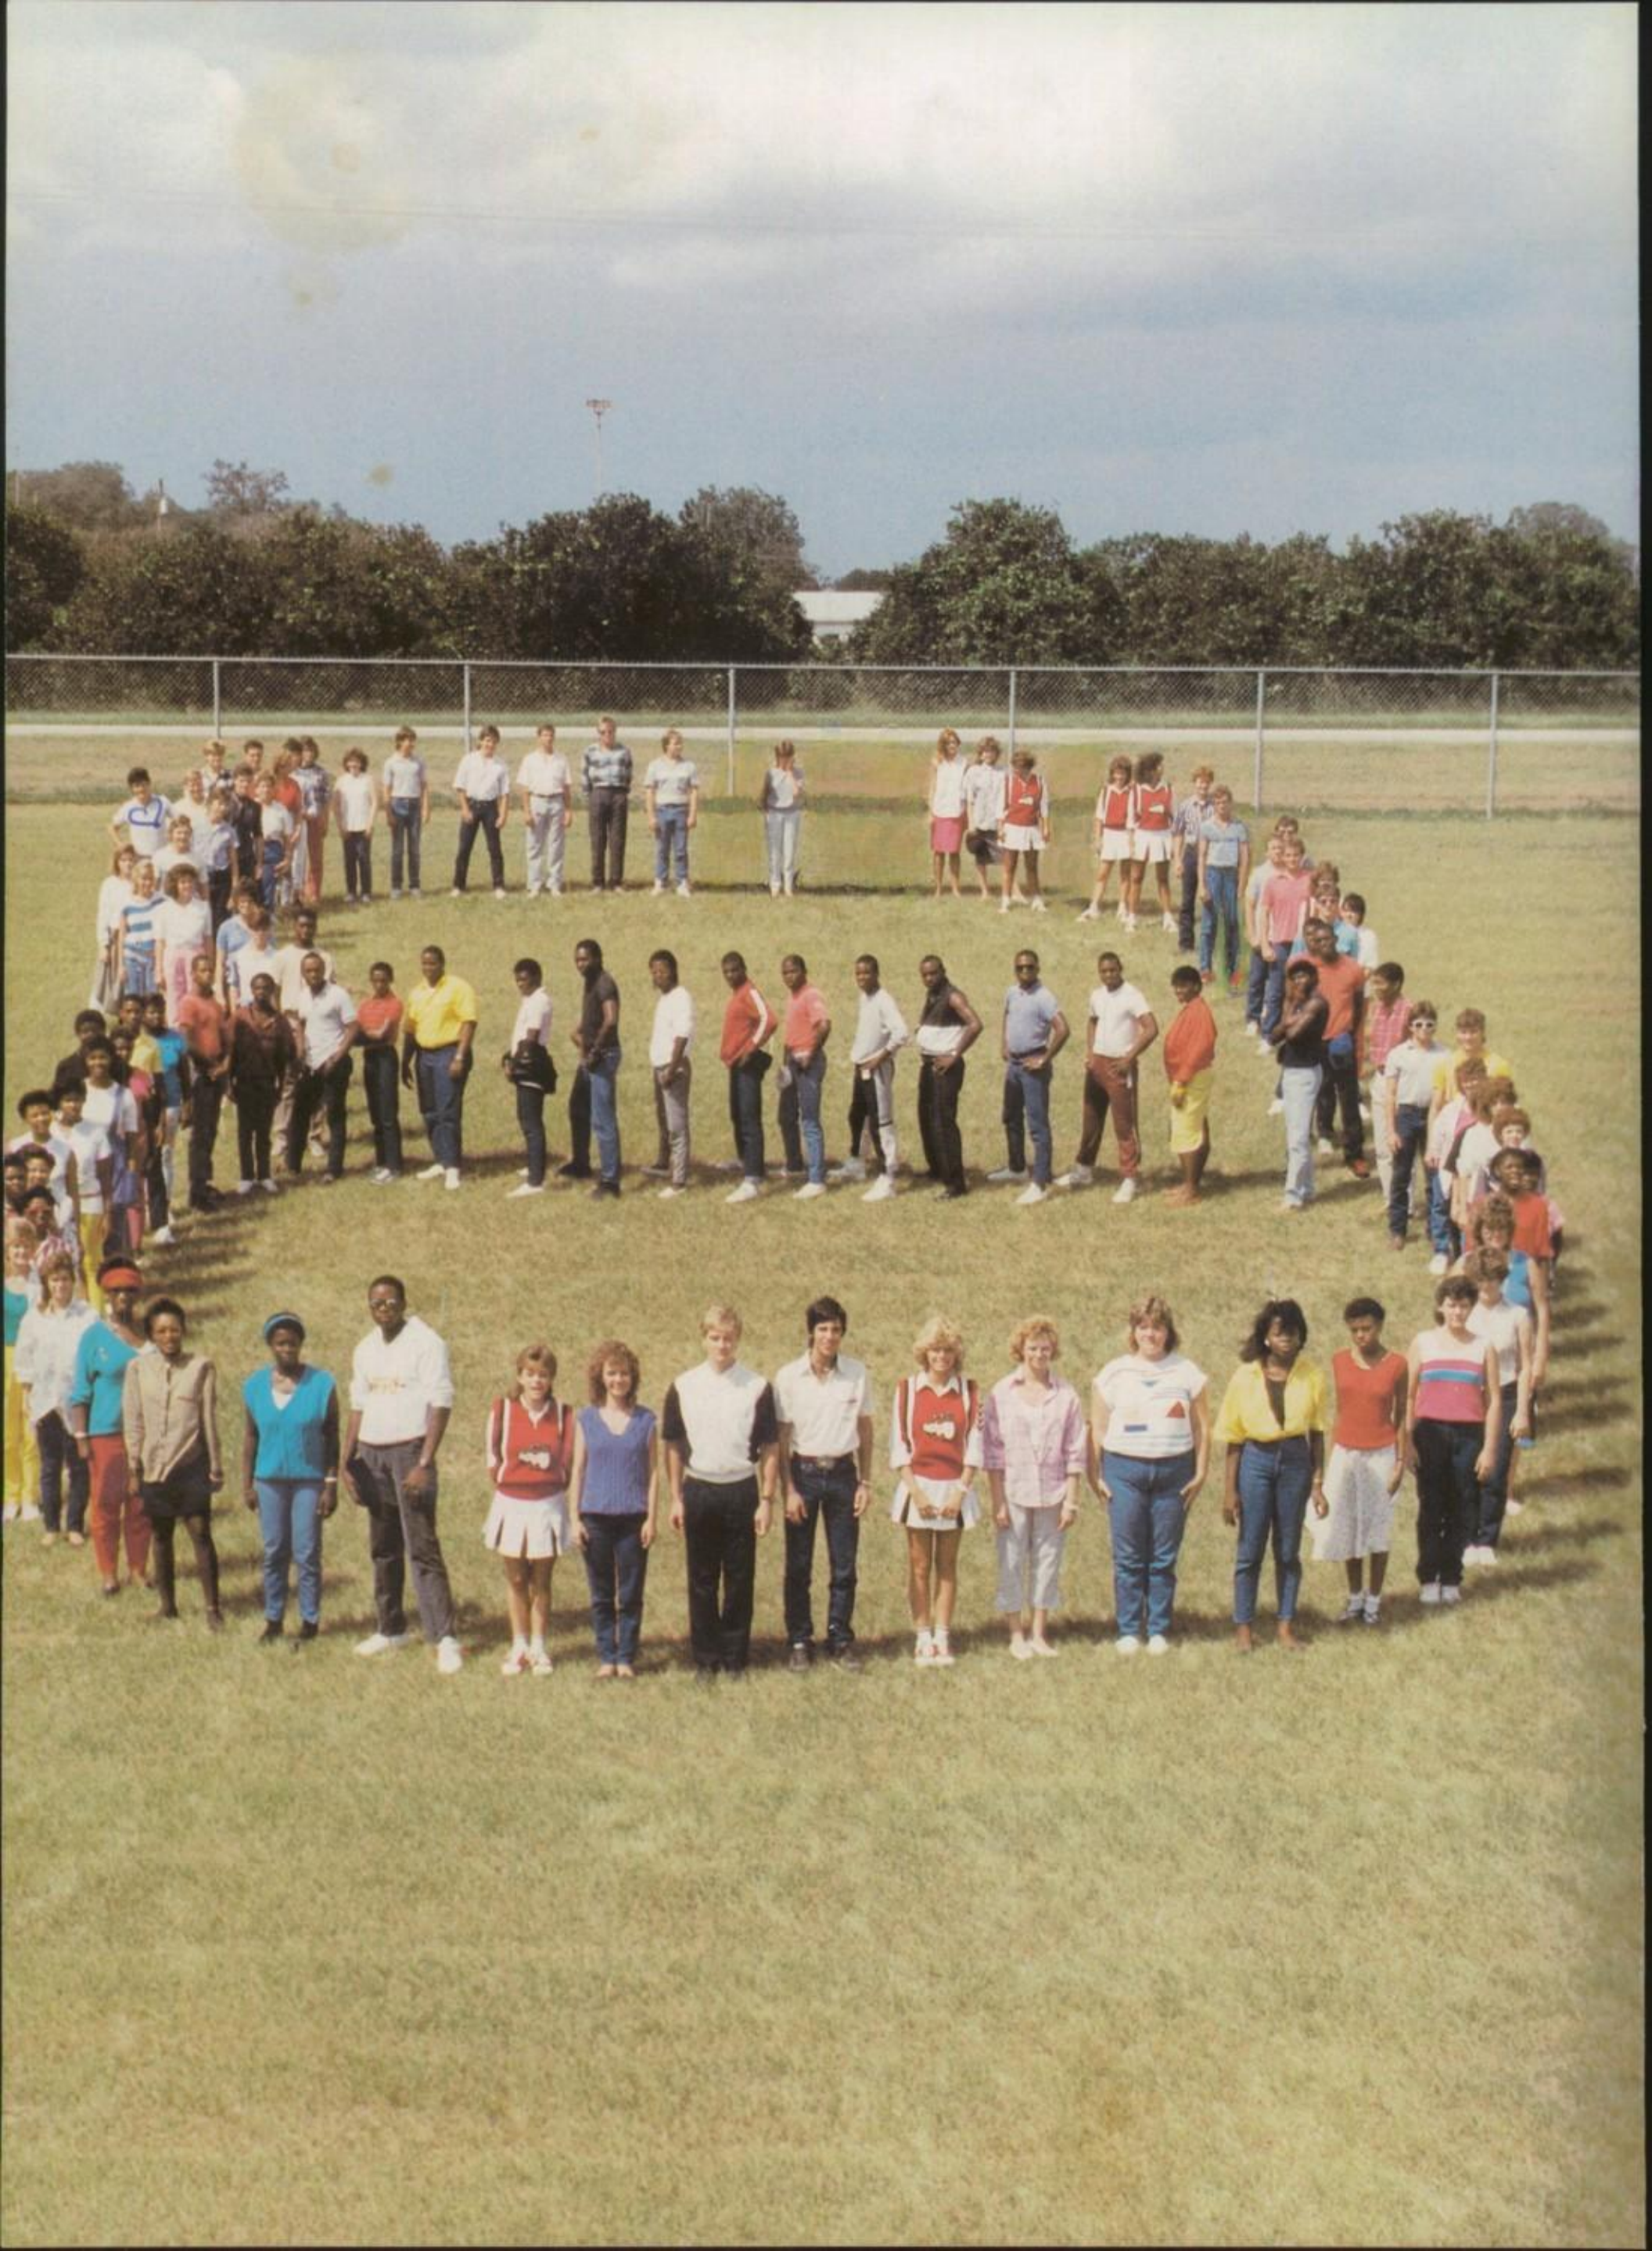
Sharp Cuts



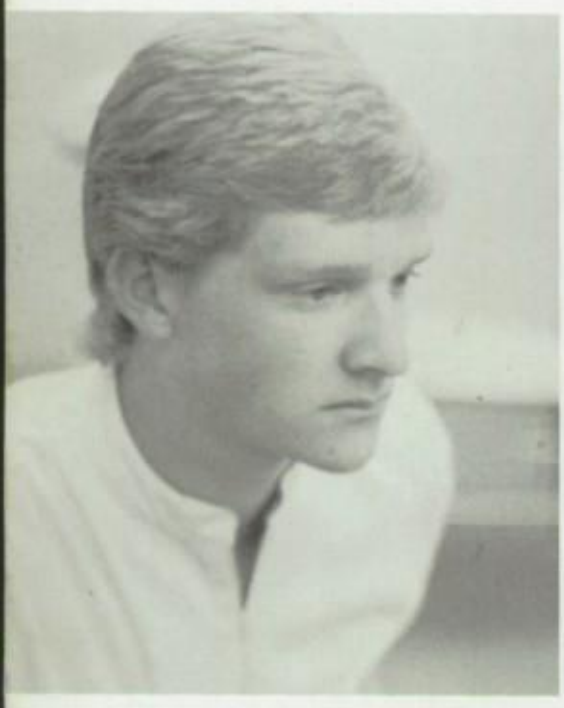
Some cuts are sharper than others, but it's plain to see that all these cuts are sharp. In a group some people stand out and look really sharp, while others don't need a group to make them look sharp. During class is the best time to be sharp, and being with friends is the best time to act sharp. But that still leaves one question. Does wearing flippers make one sharp Mrs. Lund?



Note
First



Devil Spirit
... Above
The Rest



The Devil Spirit is always alive. That's why it's above the rest. Everyone works together to make a proud school. The cheerleaders, the band, and the athlete teams, win or lose, are always a cut above the rest.

RED DEVIL COUNTRY

A Legend In His Own Time

During the 1987 Baseball season Avon Park Baseball Coach Ronnie Jackson led his team to victory with the Class 2A State Championship for the eighth time, making the Red Devils the only team in Florida to hold eight state titles. But, unfortunately it was Jackson's last, for after fifteen years of coaching Avon Park Baseball, Jackson decided to retire. He not only retired with eight state championships under his belt, but with a record of 325 wins and 106 losses, 13 district titles, 6 regionals and 5 sectionals and also State runner up in 1981 and 1982. The seven Seniors that made up the foundation of Coach Jackson's 1987 team were Charles Devlin, Lee Elder, Anthony Gordon, Stacy Landress, Hank Larison, Steve Rewis and Mike Shawver. At the post game banquet, each senior player expressed what Coach Jackson had taught him. Charles Devlin said that Coach Jackson taught him never to be afraid to loose, but to play to win. Mike Shawver said Coach Jackson taught him that you don't have to be bigger or better to win. Hank Larison added that he could not say enough about Coach Jackson, and that he had done so much for him. Stacy Landress remembered that Coach Jackson taught him to win and that he deserved to go out a winner, and that he was, to each of these boys and many in the past.

Coach Jackson will be succeeded by his nephew, Mort Jackson, and even though the pride and tradition of Avon Park Baseball will carry on the memories of Coach Jackson, they will also be preserved in a permanent display case in the high school gym. There, Coach Jackson's uniform number, 20, will be retired and shown along with many other plaques and trophies. There, future players will be able to look back on a man who expected only the best from his players and who only brought out the best in every player.

The man in which this page is dedicated — Coach Ronnie Jackson — "A Legend in his Time!"

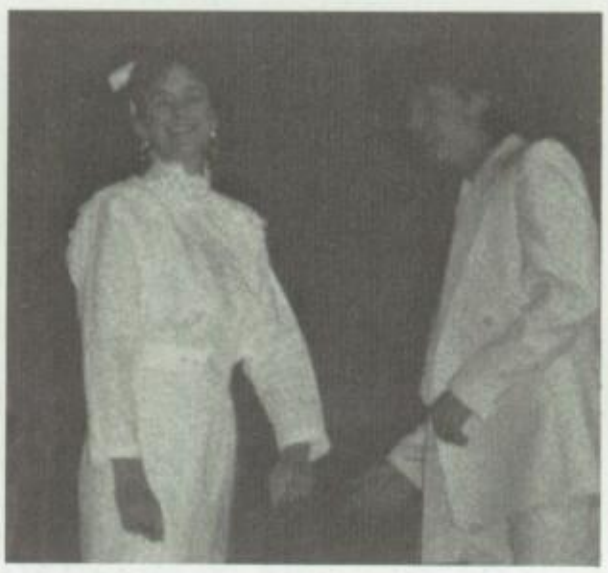
Keyette Talent Show

Some students at Avon Park High School showed the faculty and student body just how talented they were. The Talent Show, again this year was sponsored by the Keyettes. Starlett Crumedy, who sang "Greatest Love of All", obtained the first prize for her voice and was invited to sing at Avon Park's Mall Festival. The second prize went to Lorenzo Jones and Erica Ishmael. The third prize went to a group of students who put on a skit to the hilarious song the "Streak." Everyone involved put on a performance that was prize winning!

Fashion Show



What to wear? Well this year's fashion show left no doubts as Seniors modeled the Yes and No's for Grad Nite "87". Every year the Seniors look forward to a fun filled night at Walt Disney World, and to help them decide what to wear Sponsors Jean Lund and Coach Ronnie Jackson provided a fashion show in which the Seniors modeled. Seniors presented the yes and no's in clothes provided by JC Penny, Colony Shop, Red Apple, Bob's Mens wear and Top Knotch and they were able to purchase the clothes they model. Which, of course, is why they were the best dressed Seniors at Walt Disney World's "Grad Nite 87".

Gradnite '87

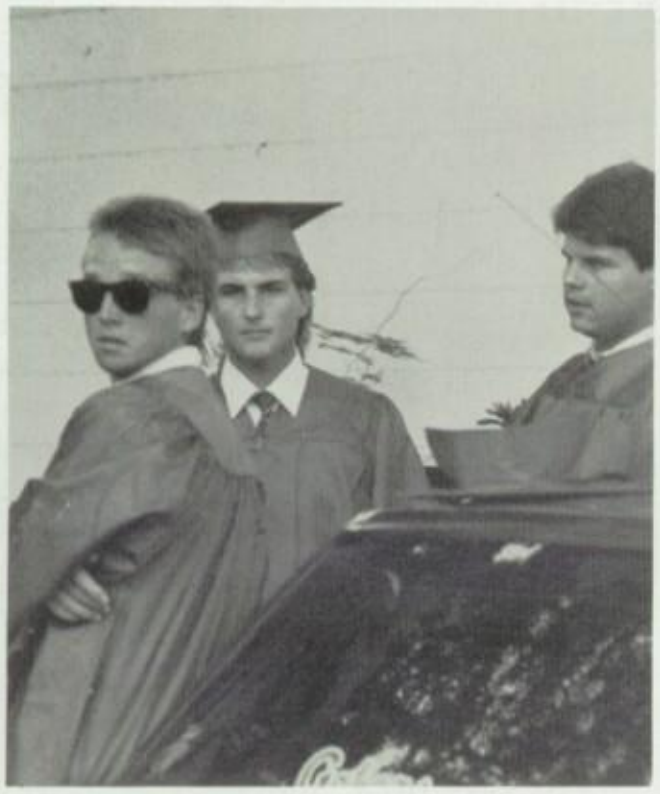
Mickey Mouse and Seniors, a yearly tradition, and this year was no different as Seniors danced and played the night away at Walt Disney World's Grad Nite '87. This year the Seniors were entertained by the great sounds of Glass Tiger, Ready for the World, Wang Chung and Nancy Martinez.

And, of course, lets not forget all the exciting moments shared riding Space Mountain, Thunder Mountain, or going through the Haunted Castle; just a few of the great things that were opened for the Seniors to enjoy and added to their memories of a year and — a night to remember!

Moonlight Serenade
Prom '87

Decked out in their fanciest clothes, Juniors and Seniors along with their dates danced the night away at their "Moonlight Serenade" Prom which was held at the Candlelight on April 11th. This special evening began with a meal of chicken renaissance, roast beef, or ham, assorted salads, rolls, various desserts, and iced tea. Although prom goers stood in line most of the night waiting for pictures to be taken they used the time to socialize, gossip, and finalize plans for after-prom activities. The highlight of the evening was the crowning of the King and Queen, Stacey Landress and Lori Valentik. The Prom would not have been possible without the help of Junior class sponsor, Fred Morris and Robert Silvia, and the parents who provided refreshments and decorations.

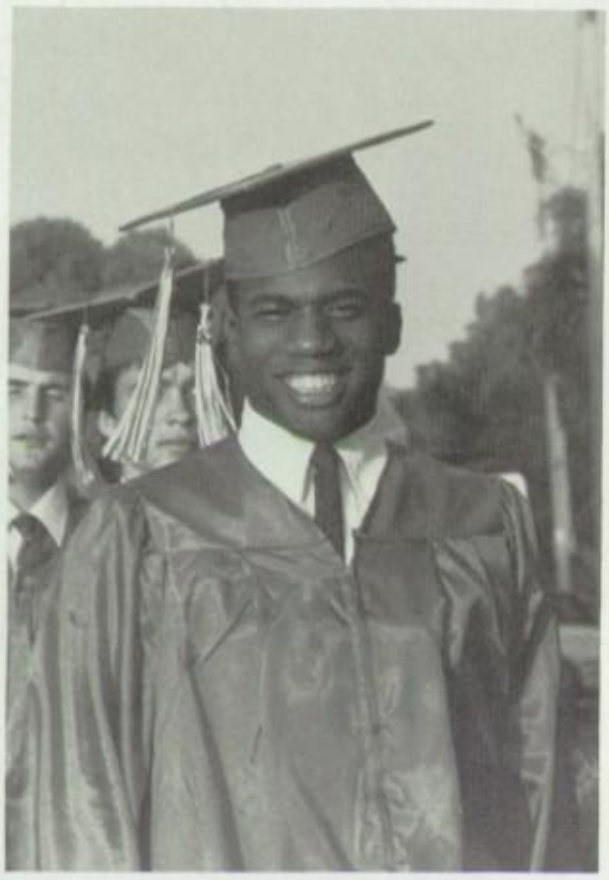
Baccalaureate

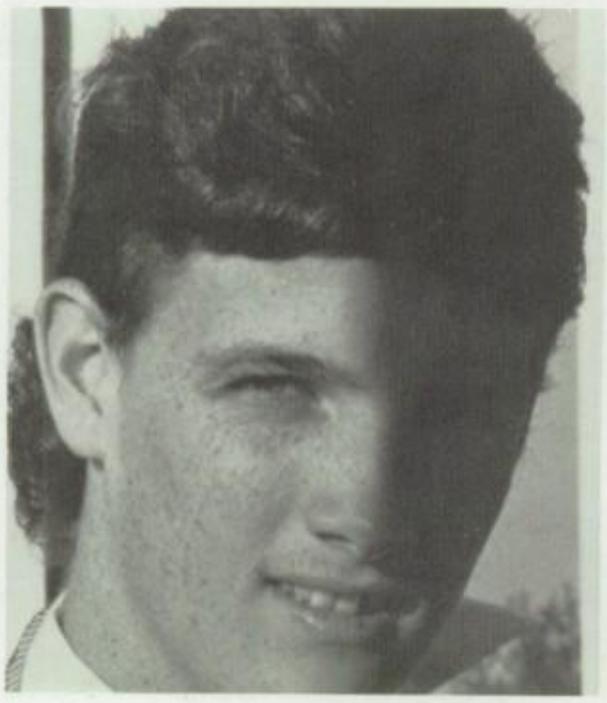


Sunday, June 7 saw the seniors file solemnly and proudly into the First Baptist Church sanctuary for baccalaureate services. The Avon Park High School Chorus, led by Director Jim Lanier, set the inspiring tone for the evening by singing "Up Where We Belong." Pastor James Davis then talked to the seniors about the best way to reach their goals in life. Following the service, a reception was held in the church hall to honor the seniors and their parents.

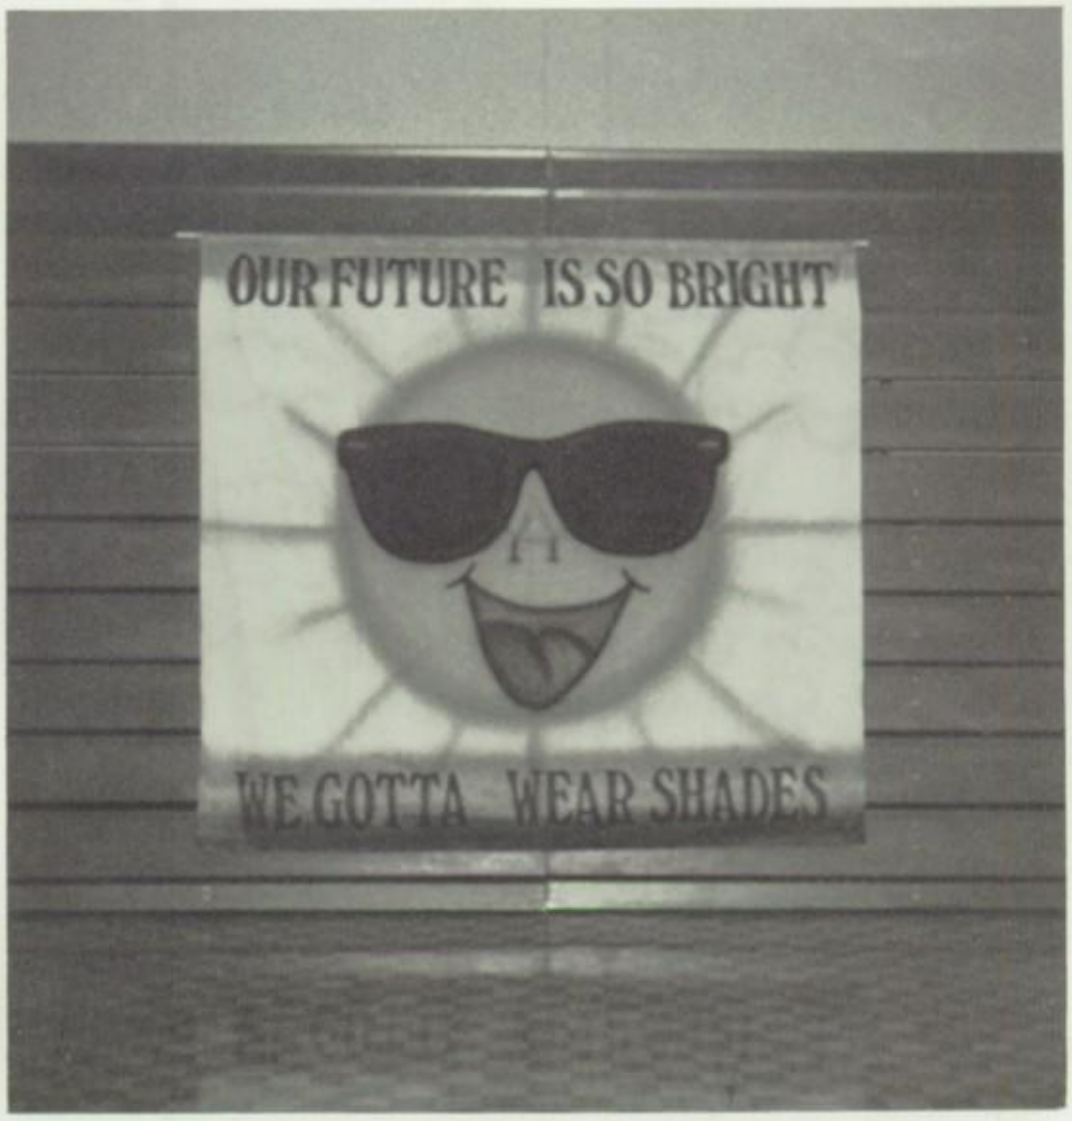
Graduation 1987

Monday, June 8 marked the end of twelve years of effort by 104 happy seniors who marched down the aisle to receive their diplomas at the SFCC auditorium. Academically, the class won the county's highest award with Doris Pfister, Valedictorian, having a GPA of 4.22. Her record was closely followed by that of class salutatorian, Sandra Wiley with a GPA of 4.16. Additionally twenty outstanding seniors of the class of '87 received scholarships for their academic achievements. Mrs. Handley and Dr. Cornelius praised the group's academic excellence in their remarks to the graduates. The evening was not without its humor, however. Roy Martin brought smiles and chuckles to the audience as he recalled the twelve years of memories the seniors shared. Following the presentation of diplomas by Mr. Smith, the delighted seniors shed their caps and gowns to enjoy the all-night festivities at Party Grad.





Party Graduation



Party Graduation was celebrated for seniors and guests at SFCC following graduation. The theme "My Futures So Bright I Gotta Wear Shades" led to an all-night alcohol/drug-free night to remember.

Thanks to many parents, the night was a success, filled with non-stop fun, including: videos, swimming competitions, videos games, free pictures, and a talent show consisting of Cam White's air band and the "Raisin Dads." Of course, plenty of food was supplied to keep the energy going.

The big event was the traditional baseball game, guys against girls, with the guys winning by a small margin of 7-5. The evening ended with seniors winning prizes varying from stuffed animals to the grand prize of $100.00. The graduating class of '87 wishes to thank all those who made Party Graduation such a successful and safe night, and for adding to the memories of their years at Avon Park High School.

As the year draws to a close, everyone is remembering the good and bad times of the 1986-87 school year. I hope that through this yearbook we can all remember in the years to come that we were "A Cut Above the Rest."

This book would not have been possible without the help of many people. First of all, on behalf of the staff, I would like to thank the advertisers and those who purchased books for their financial support.

Next I would like to thank my editors who diligently completed their pages in time for deadlines. Dustin Lemler did a super job as Student Life editor, As curriculum editor, Candice Bentley worked hard to complete all division pages, Karla Geurndt did a terrific job as mugs editor. Lisa Hicks did more than was necessary to complete her sports section and other pages. The Clubs editor, Kip Wentworth, conquered his section on his own and helped in other areas. Christina Sanders did fantastic as Ads editor along with the help of Amy Williams, Managing editor. As head Photographer, Jeff Roth went out of his way to keep us supplied with pictures. Jennifer Couch did an outstanding job as Business Manager, spending many extra hours making sure all records were correct.

A late but much needed addition to the staff was Missy Lane, who worked many long hours with me to complete all pages devoted to seniors. She also did the Homecoming sections. Even though they weren't mentioned, the supplement of the staff deserves thanks for all their contributions.

I would like to thank Mr. Wyse for his help with ideas, copy and pictures; and Mrs. Eberle for the use of the typing rooms.

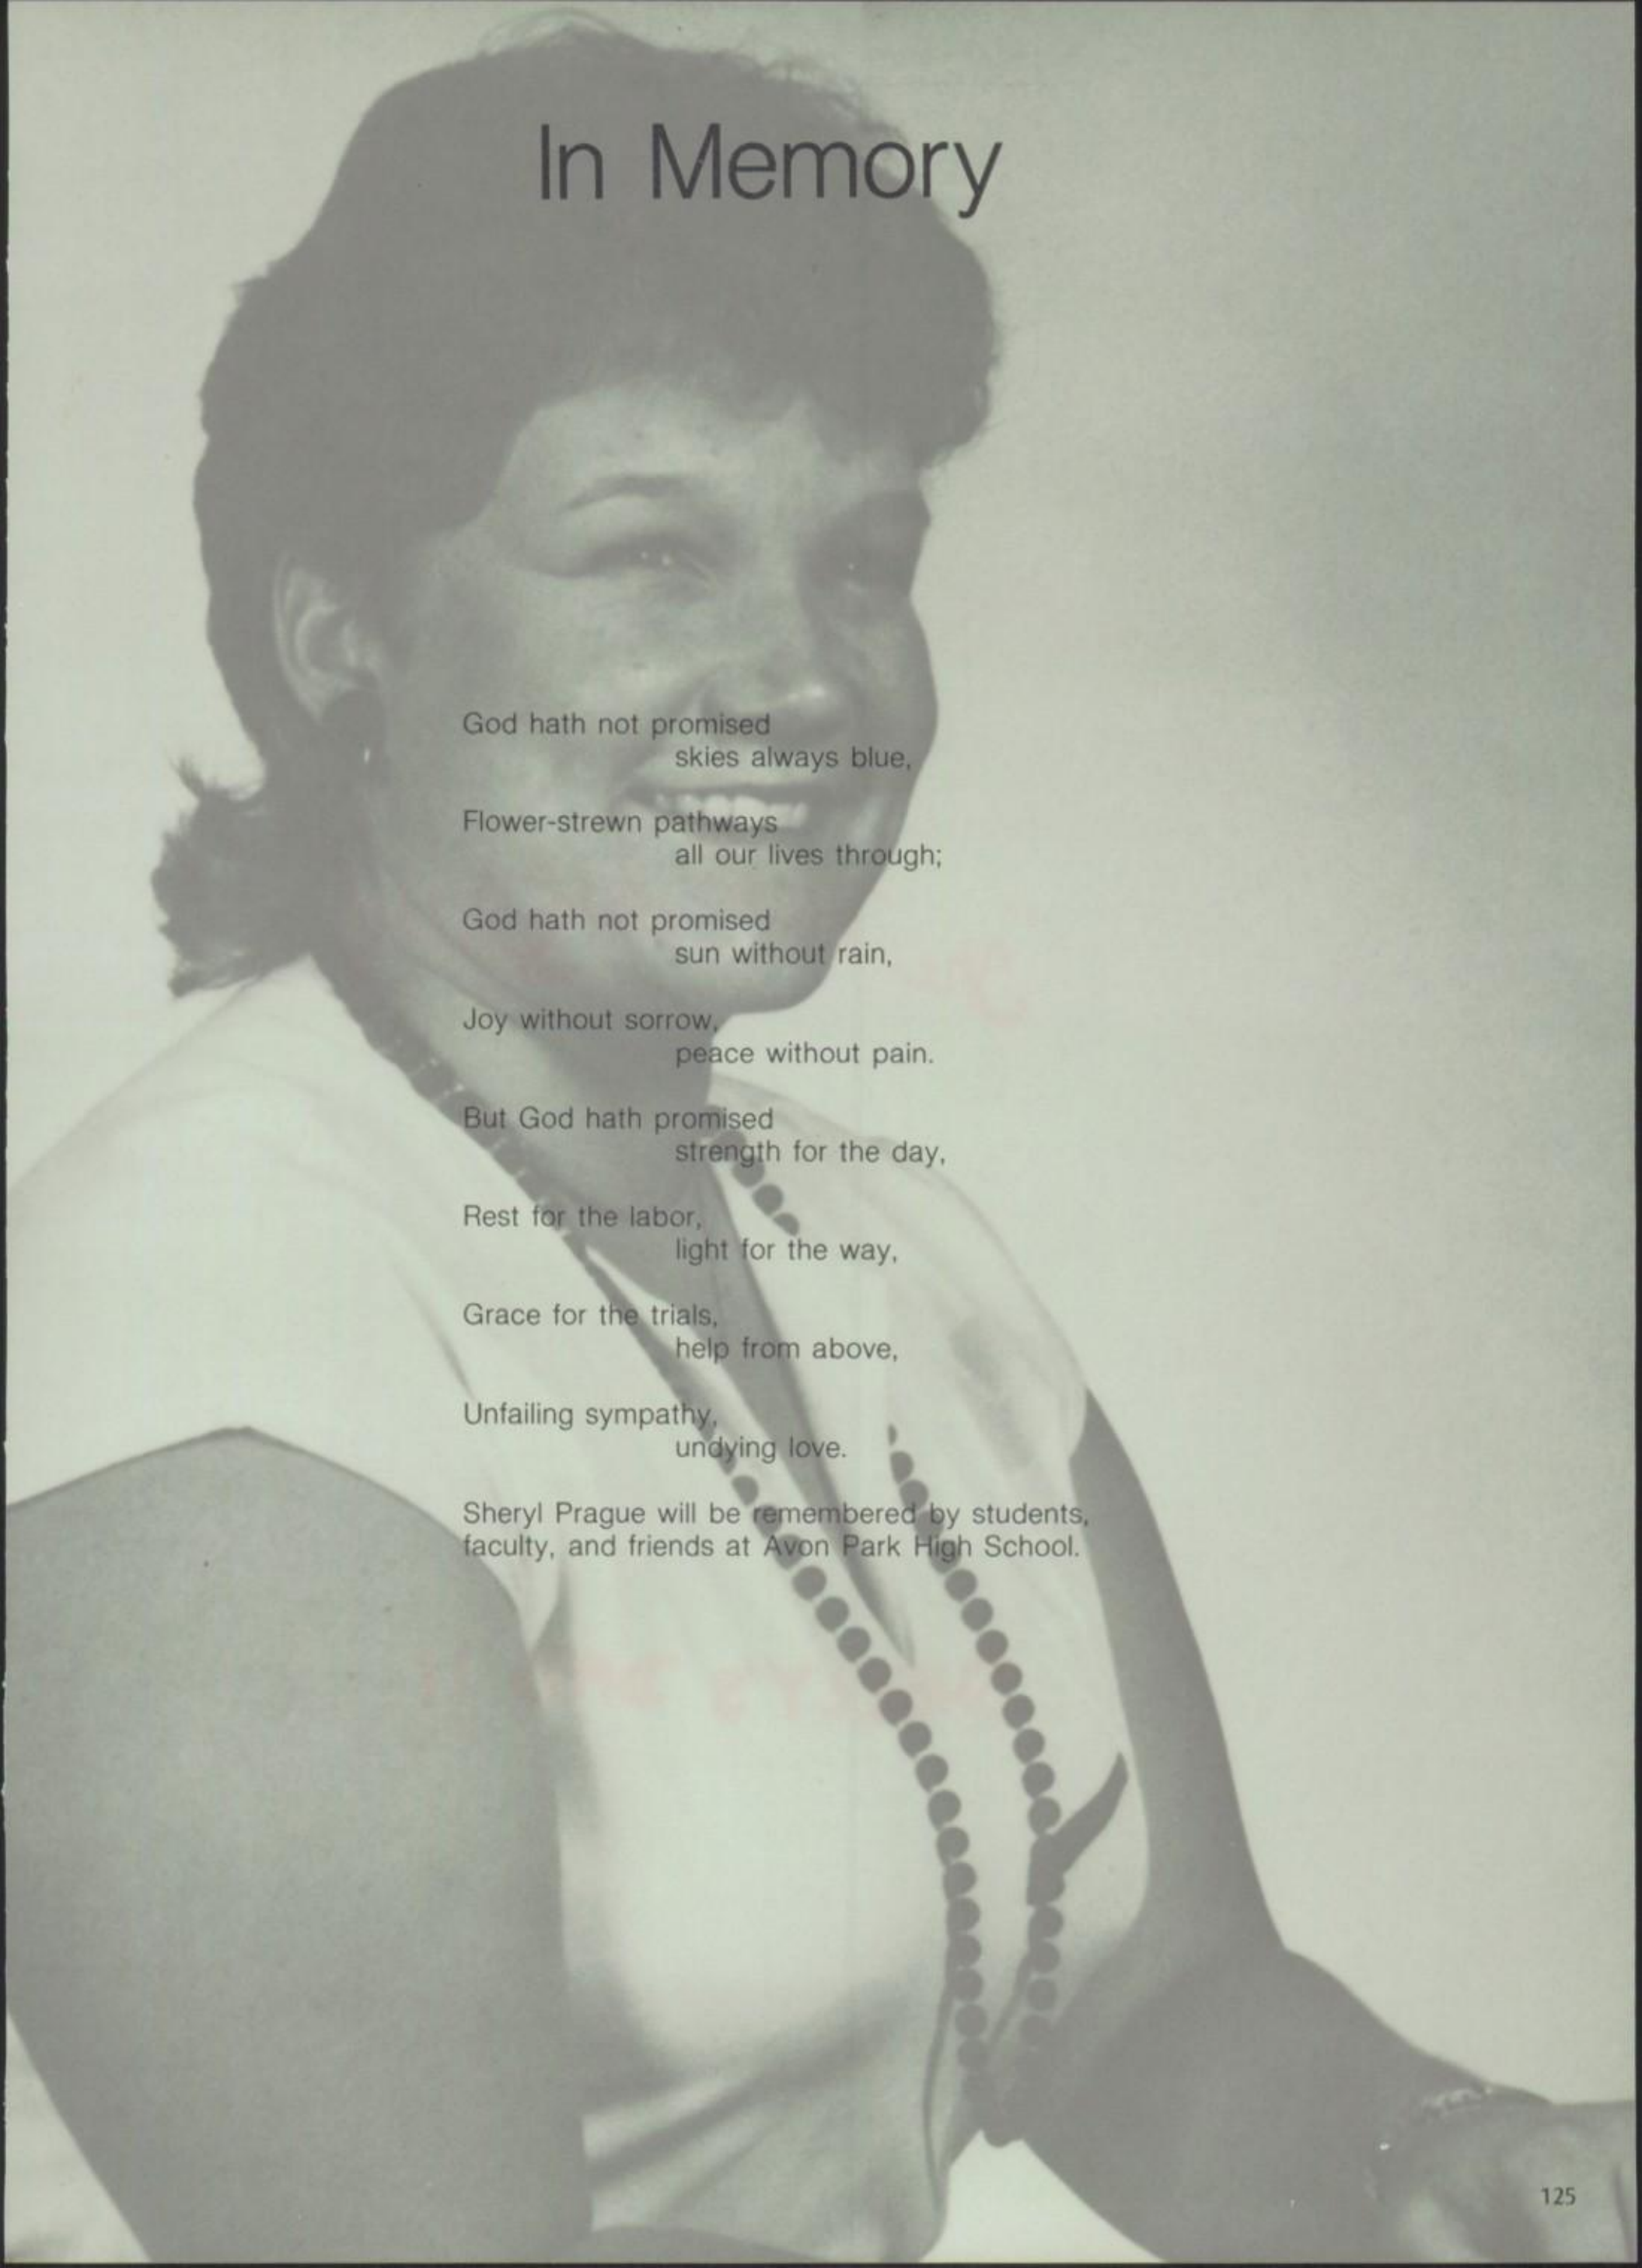
Most of all I would like to give Ms. Barnett the deepest gratitude of the entire staff for all of her help and devotion. Without her support, this book would not have been possible.

After all the time and effort put into this yearbook, I hope it lives up to your expectations and its theme "A Cut Above the Rest."

Sincerely,

Mindy Summers

In Memory



God hath not promised
skies always blue,

Flower-strewn pathways
all our lives through;

God hath not promised
sun without rain,

Joy without sorrow,
peace without pain.

But God hath promised
strength for the day,

Rest for the labor,
light for the way,

Grace for the trials,
help from above,

Unfailing sympathy,
undying love.

Sheryl Prague will be remembered by students, faculty, and friends at Avon Park High School.
